Spanish is the world's third most spoken language after Mandarin Chinese and English, and ranks second in terms of native speakers.

Spanish is also one of the official languages in international organizations, such as the United Nations.

## STAND OUT IN THE JOB MARKET

Spanish is becoming more and more important with regards to business.

A rising number of employers prefer individuals who can speak Spanish fluently and rate this particular language skill as very important for professional success in the current global business environment.

## EXPAND YOUR HORIZON

The Austrian philosopher Ludwig Wittgenstein once wrote, "the limits of my language are the limits of my universe."

There is no doubt that learning Spanish will expand your own personal universe, allowing you to travel freely to places you only dreamed about, connecting and communicating one on one with local people, reading fascinating new writers, enjoying different international cuisines, learning new dances, discovering new musicians, gaining new horizons.

### **FAST AND EASY**

Learning a language is about much more than just grammar and structure, it is about learning how to relate and communicate with the people who speak it. These are the things you will achieve from studying abroad.

As you speak, read, and listen to native speakers, you will find yourself understanding more about how they think, live, and experience their environment.

You will truly be able to proudly say "I know how to speak real Spanish" because not only will you speak the language, but you will also understand the culture behind it.

### **EXPERIENCE AND ENJOY**

# STUDENT ACCOMMODATION

## DEEPEN YOUR STUDY ABROAD EXPERIENCE

Comfortable accommodation is an essential part of your study abroad experience. We understand the importance of having quality accommodation while you study abroad. We understand that something as simple as a broken shower can ruin an otherwise perfect day and distract you from what you are here to do – learn Spanish. We're here to make you feel cozy, secure and right at home.

### ARRIVAL TIME

Arrival time for all accommodation options is after 12:00 noon on the Sunday before the course starts. Accommodation must be vacated by noon on the Saturday after your course has finished. If you arrive a day earlier, or if you want to stay a day longer, get in touch with your don Quijote office to make the necessary arrangements.

### 100% SATISFACTION

You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

### TOTAL INDEPENDENCE

You will always be given your own keys so that you can come and go as you please.

### PERSONAL WISHES

Are you a vegetarian, allergic to house pets or would you like to be placed in a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

### FULLY EQUIPPED

In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice.

You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

### LESS THAN 30 MINUTES

Your accommodation will be located very close to your school. We have several shared apartments and residences available in most cities which are all just a 5-15 minute walking distance from the school and are all located in the best areas in the heart of the city. Host families are located a maximum of 15 minutes walking in small cities and 30 minutes in large cities from the school, either walking or by public transportation.

## HOMESTAY | HOST FAMILY

### LIVE LIKE A LOCAL

Staying with a host family is a wonderful opportunity to experience Spanish in a way that will make you feel right at home.

For students who want an authentic cultural experience that will help them learn new vocabulary, pick up local expressions, and become fully immersed in the Spanish culture, staying with a host family is the best choice.

Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word "family" should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can come and go as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch is normally around 2 p.m. and dinner is usually served around 9 p.m. Keep in mind that eating customs and cuisine may differ greatly from your regular habits.

## PRIVATE PICK-UP SERVICES IN GOOD HANDS

From the airport, bus or train station

Traveling alone? Your first time living abroad? Would you feel more secure knowing that someone will be waiting at the airport to take you to your new home? You can reserve a 24-hour private pick-up service at an additional cost if you prefer to be picked up directly from the airport, bus, or train station. Just let us know in advance and we will be there!

## SHARED STUDENT APARTMENT

BECOME PART OF AN INTERNATIONAL COMMUNITY

You will live with other international students in our fully equipped and furnished apartments. Students will have everything they need for a comfortable and productive stay. What better way is there to enjoy a language learning experience abroad than to stay in the company of other students just like you?

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a closet). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone.

## PRIVATE APARTMENT

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of 'luxury'. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms. Apartments are fully furnished and equipped with a kitchen, bathroom, and all the necessary facilities. Internet access and Wi-Fi upon request. These apartments are located in the cities' most central and fashionable districts.

## STUDENT RESIDENCE | HALL

FEEL AT HOME IN THE WORLD

If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you. The residences normally house between 8 and 150 international university students and are all just a 5-15 minute walk from the school, located in the best areas in the heart of the city.

You will enjoy all the comforts of a hotel in a relaxed, communal environment shared with other international students. At the same time, you will have all the freedom and independence they want and need. Our residences are centrally located and you can get to all of the city's most interesting sites quickly and easily from any of our residences.

Our Spanish student residences have a youthful, international feel and offer you all you'll need in one building: laundry facilities, TV, prepared meals or shared do-it-yourself kitchens, and areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens and towels are provided.

You can choose half board (breakfast and dinner) or full board (breakfast, lunch, and dinner). Private bathroom on request at an additional cost.

# IMMERSE YOURSELF AND ENJOY

**At don Quijote we believe that learning a language is so much more than just grammar and memorization.**

In order to master non-verbal as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called "intercambios" between students and native speakers to practice language skills outside the classroom.

In the deep South of Spain lies the Andalusian port of Cadiz, capital of the province of the same name. People practically live outdoors, which makes the city lively and pleasant for strolling. Cadiz is quite Moorish in appearance and is criss-crossed with narrow cobbled streets opening onto small squares. Cadiz is also known for its famously wild Carnival celebrations which are not to be missed.

# SALAMANCA

AMAZING ARCHITECTURE

## ABOUT SALAMANCA

The province of Salamanca is situated in the west of Spain, bordering with Portugal. The city is large enough to be able to offer the advantages of a proper city, but at the same time it has the warmth and friendliness of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn its language. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the "Plaza Mayor", one of the finest squares in Spain and known as the living room of the "Salamantinos". While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and you'll encounter them everywhere you go.

# SEVILLE

ANDALUSIAN PERSONALITY

## ABOUT SEVILLE

If you want to experience the folkloric heart of Spain - the scent of orange trees, the click-clack of flamenco shoes, women in bright polka dot dresses, and the heat of the Andalusian sun - Seville is the city for you. Spain's fourth-largest city and the capital of Andalusia, Seville still maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian "Reconquista", which eventually gave the city what is now the largest cathedral in the world. Experience a true cultural melting pot.

Havana is a city of faded glory but also one of unbridled high spirits; a city where little is allowed but where much more is possible. Havana is a melting pot of cultures and races, an open-air museum under the strict direction of Castro, it is a city that you must learn to appreciate. Apart from the picturesque colonial inner city, the "Playas del Este" and the famous "Malecón" (the immense boulevard that most consider to be Havana's living room), you should make time to discover "Vedado". ### ABOUT **PLAYA DEL CARMEN**

Simply known as "Playa," this small Caribbean fishing village on the Riviera Maya is Cancun's laid-back neighbor (approximately 35 minutes from Cancun's international airport and 40 minutes from Tulum). Playa is a great place to enjoy the cultural and historic richness of Mexico and the Maya people. It attracts people from all over the world because of its relaxed, tropical atmosphere and its unmatched beautiful beaches. Despite a rapidly growing population and increased popularity as a tourist destination, the residents of Playa are committed to maintaining their city's bohemian charm and relaxed pace.

### OUR **COLLEGE**

Our school in Playa del Carmen is just 6 blocks from the white sandy beaches. Classes are held outside under thatched roofs amidst our own tropical gardens, so you can enjoy the full Caribbean experience. The school has a well-stocked library, both open air and air conditioned conference rooms (ideal for guitar and salsa classes, and our weekly gatherings), a cafeteria, volleyball court, and garden areas for relaxation during breaks or after a day of classes.

### WHAT WE LOVE ABOUT PLAYA DEL CARMEN

There is a lot to explore around Playa del Carmen. You can hop on the ferry to Cozumel for world class scuba diving, explore an abundance of nearby Maya ruins, or head to Cancun for shopping and wild nightlife. Best of all are the city's white sandy beaches, crystal clear Caribbean waters and lush tropical vegetation that fill your day-to-day landscape. It's a heavenly setting for learning about Mexican-Caribbean culture while immersing yourself in the Spanish language.

### ABOUT **OAXACA**

Located in Mexico's central valley, Oaxaca was designated by UNESCO as a World Heritage Site for its Spanish colonial buildings and nearby archaeological center, "Monte Albán". Oaxaca is known for its thriving artisan community best seen around the "Zócalo", the colonial center's main square. Its diverse population consists of over a dozen ethnic groups like the Mixtecs and Zapotecs, who bring the city to life with a variety of traditions, dances, music, languages, and cuisines. All this is present in numerous museums, art galleries, open-air markets, outdoor cafes, restaurants, and picturesque cobblestone streets.

### OUR COLLEGE

Just 2 blocks from the beautiful "16<sup>th</sup>-century" Santo Domingo convent and 4 blocks from the "Zócalo", our Oaxaca Spanish school location is as central as it gets. COLONIAL BEAUTY

## MEXICO

### ABOUT **GUANAJUATO**

The city of Guanajuato, at 1,996 m above sea level, is one of the most important historical and cultural colonial cities in Mexico. Guanajuato is located in one of the richest silver mining areas of Mexico, and is well-known for its wealth of fine colonial era Spanish architecture. In 1988, UNESCO declared Guanajuato and the surrounding silver mines a World Heritage Site. The city was originally built over a river, which flowed through tunnels underneath the city. However, after years of raising buildings to avoid the repeated flooding, in the mid-twentieth century engineers built a dam and redirected the river into underground caverns. The tunnels were lit and paved with cobblestones for automobile traffic, and most of the cars driving through the city today use this underground road. It is one of the most noticeable features of the city. Each October, Guanajuato holds the "Festival Internacional Cervantino", an international festival of the arts named for Miguel de Cervantes.

### OUR COLLEGE

Our school is located right in the city center in the "Barrio Pastita" only a 10 minute walk from the "Teatro Juárez". The school has 15 classrooms and a capacity for 110 students/day. Other facilities include an interior patio, a teachers' room, a students' office, a multimedia classroom and a recreation area.

### WHAT WE LOVE ABOUT GUANAJUATO

As a small, quiet university city far from the tourist crowds of Cancun and Cuernavaca, Guanajuato is the ideal spot to study Spanish in Mexico. It will charm you with its architectural and cultural wealth. The international airport, less than half an hour away, provides the city with excellent connections to other cities in Mexico and to the rest of the world.

HISTORY AND ARCHITECTURE

## PERU

### ABOUT CUSCO

Cusco is the oldest city in the Western Hemisphere. Set in a mountainous region considered among the most beautiful on the planet, Cusco was once the flourishing capital of the Inca Empire. Natives and visitors alike consider it the most impressive of all Peruvian cities for both its history and its remarkable mix of Inca and Spanish colonial architecture. And we've yet to mention the breathtaking beauty of the terrain and the warmth of the local people. Cusco is an ideal base from which to explore Peru, since it's situated in the same region as the ruins of Machu Picchu and the Inca Trail. Because the city lies at a high elevation, nights can be cold and days cool.

### OUR COLLEGE

Our partner school is just a 3-block walk from Cusco's Plaza de Armas. Located on the main commercial street of Avenida El Sol, the institute sits right in the historical center and is just across the street from O'ricancha, the most important site in the entire Inca Empire. Housed in a comfortable, modern building with 20 classrooms and a large cafe area that encourages mingling and language practice.

### WHAT WE LOVE ABOUT CUSCO

Cusco has everything: art, magic, mystery and all the beauty you would expect in the legendary "belly button" of the world. Framed by a brilliant blue sky ringed with mountain clouds on the six hills that surround the city, Cusco's natural setting makes the city's streets and squares, majestic Inca monuments, and elegant colonial edifices all the more breathtaking and magical. Undoubtedly your stay in Cusco will be an experience you will never forget, and one you will proudly talk about - in Spanish!

- 3.1 Credit issued due to exceptional circumstances is only valid for up to 12 months from the date of issuance. Once the 12-month period ends, the student loses the right to the credit or refund.

- 3.3 Credit notes can not be converted into a refund.

### 4. ACCOMMODATION

- 4.1 For registrations received a week or less prior to the beginning of a course, don Quijote does not guarantee the type of accommodation desired and requested by the student; priority is given to students who register further in advance.
- 4.2 In the event that a student is not satisfied with the assigned accommodation for any justifiable reason, the student may move to another accommodation of the same type (up to 3 changes allowed). Students wishing to change accommodation arrangements must notify the person in charge during their first day of the program.
- 4.3 All students must inform don Quijote or the host family in advance of their approximate time of arrival. In the event that one of the previously mentioned parties is not contacted, don Quijote will not be held responsible for greeting or picking up the student upon arrival.

- 4.7 At don Quijote, respect for others and for the rules is essential for our programs to run smoothly. Students' failure to follow the established rules will be grounds for withholding the accommodation

security deposit. Some examples of behaviors that merit forfeit of the accommodation deposit include: having guests stay overnight, making loud noises, smoking in the bedrooms, having parties, consumption of alcohol, consumption of any narcotic or harmful substance, and any other conduct that don Quijote management considers inappropriate.

- 4.8 Apartments and student residences may be substituted by other types of accommodation, at the same price, during the high season.
- 4.9 If you reserve a shared double room (shared with another student) and there is no other student with whom you can share the room, we reserve the right to change your room at any time.

### 5. GENERAL COURSE CHANGES AND CANCELLATIONS

- 5.3 All refunds, under any circumstances, are subject to an administration fee of 9% (or a minimum of EUR 65/USD 90). I.e., when a refund is issued, don Quijote will retain 9% as well as the EUR 210/USD 250 deposit.
- 5.4 All students who wish to cancel their program (course and/or accommodation) prior to arrival must notify don Quijote in writing by email [infocentral@donquijote.org](mailto:infocentral@donquijote.org) or by certified mail.
- 5.5 Cancellations not received via one of the two aforementioned means will not be accepted.
- 5.6 In no case whatsoever will a refund be made for the cost of the program or accommodation once the program has started (unless the international student travel insurance and/or cancellation guarantee has/have been purchased).
- 5.7 For each change before arrival to your confirmed booking (start dates, program, or services) for programs in Spain and Latin America, EUR/USD 35 will be charged for administrative costs. Changes after arrival (of destination, school, accommodation or program) are free for courses in Costa Rica, Ecuador, Mexico, and Spain (subject to availability, paying the price difference if applicable). For all other changes after arrival to your confirmed reservation for programs in Spain and Latin America, EUR 210/USD 250 will be charged for administrative costs. All changes are subject to availability.
- 5.8 Course break: 1 free week off for every 4 weeks of study (students will be charged for their full stay at our accommodation, including breaks, in order to keep their reservation). 1 week notice required. In all other cases, taking a break during your course will incur a fee of EUR 50 and accommodation must be paid in full for the original program length (subject to availability).
- 5.9 don Quijote cannot be held responsible for cancellations due to Acts of God, health issues, or personal problems.

#### PARTNER SCHOOLS AND THIRD PARTIES

- 5.10 Participants who cancel their Spanish + Internship or Volunteer program at Ideal Education Group schools in Spain or Latin America, or any program at partner schools in Latin America, more than 4 weeks before it is scheduled to begin will be charged a EUR 500 / USD 600 cancellation fee. If this program is canceled less than 4 weeks before the program start date, the full price of the program will be charged. #### SUMMER RESIDENTIAL PROGRAM

- 5.11 For the confirmation of reservations made 4 weeks or less before arrival, the total invoice must be paid in full at the time of enrollment.
- 5.12 A penalty of € 850 will be applied to cancellations made in the last four weeks prior to arrival.
- 5.13 No refunds will be granted one week before or after arrival in any case.

### 6. INTERNATIONAL STUDENT TRAVEL INSURANCE

- 6.1 Without insurance, students are not covered for any trip/program cancellations before arrival or for any illness, accident, or loss of property (inside or outside accommodations or classroom) during their stay. don Quijote recommends that all students purchase optional International Student Travel Insurance, at a cost of EUR 20/ USD 30 per week. This plan covers cancellations prior to arrival in certain circumstances with justification (due to illness, visa issues, etc.) and includes medical and civil responsibility insurance during the program.

- 7.1 To avoid cancellation expenses in the case of cancellation after arrival, don Quijote recommends students purchase a Cancellation Guarantee at a cost of EUR 40/USD 50 per week. It must be purchased and paid in full upon booking. Students who purchase the Cancellation Guarantee can cancel all or part of their program for any reason without justification.
- 7.2 All refunds will incur an extra cost of 9% (a minimum of EUR 65/USD 90).
- 7.3 The price of the course and accommodation will be charged for the week during which the cancellation is made if the student makes that cancellation up to Wednesday, otherwise both the week of cancellation and the following week will be charged.
- 7.4 The cost of the cancellation guarantee will not be reimbursed.
- 7.5 In order to cancel a language program, the student must give notice via email to [seg@iegrupo.com](mailto:seg@iegrupo.com). The day after the email is sent will be considered the day the course has been officially canceled. Cancellation is only valid once an email has been received. For this reason, it is important that the student is certain that the email has been received. The money will be returned within 30 days of the official cancellation date.
- 7.6 The cancellation guarantee must be signed and paid in full upon enrollment in order to be valid. You can add extra services but not decrease the coverage.
- 7.7 Students who require and have obtained their visa through don Quijote can purchase the cancellation guarantee, however their cancellation will only be considered once the student provides proof of having left the host country. In these cases, 20% of the amount to be refunded will be charged to cover administrative costs.

The certificates that accord and confirm a student's enrollment in a Spanish program at don Quijote can only be signed, sealed, and sent by people authorized by don Quijote, who will not be responsible for rejected visa applications. These certificates do not hold any official validity; they serve only as confirmation of a course to be taken at one of our schools. Such documents will only be sent to cover the amount of course time initially contracted by the student, don Quijote will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):
